

# Small Claim Resolution

Plotkin Health's Small Claim Resolution offering provides you with a streamlined process for claims under \$5,000. With this solution, Plotkin Health averages 70%+ savings (financially guaranteed against balance billing) for our clients on their small claims by using data-backed pricing.

## Features

- **Suited for Small Claims**  
Plotkin Health's Small Claim Resolution offering is ideal for US medical claims with billed charges under \$5,000.
- **Data-Backed Pricing**  
Multiple industry data sources are blended to determine a price for the claim that is fair and equitable for both the payer and provider.
- **Dedicated Customer Service**  
Should the provider contact the patient or the payer, those inquiries are routed to Plotkin to resolve directly with the provider.
- **Financially Guaranteed Against Balance Billing**  
True to the Plotkin Health guarantee, Small Claims are also financially guaranteed – meaning neither the payer nor the patient will pay a penny more than the communicated amount.

## Benefits

- **Significant Savings**  
Small claims leveraging this solution average over 70% in savings.
- **Faster Turnaround Time**  
Using data to price claims leads to a rapid turnaround time of 48-72 hours.
